

Dear

On behalf of the Boston Scientific Political Action Committee (BSC PAC), which represents eligible employees and board members of Boston Scientific, I am pleased to support your efforts.

At Boston Scientific, we are dedicated to collaborating with healthcare professionals to develop a broad portfolio of meaningful innovations that improve outcomes, reduce costs, increase efficiencies and—most importantly—help more people in more places around the world live longer, healthier lives. The medical technologies we develop at Boston Scientific touch the lives of more than 30 million patients around the world each year. BSC PAC supports these goals by advocating for smart public policy, and is one way we fulfill our commitment to be a responsible, inclusive and innovative corporate citizen.

BSC PAC is dedicated to **promoting market and patient access** to life-changing, and life-saving medical technology and supports public policy that **creates a better business environment**. Underscoring these policy preferences is BSC PAC's commitment to **fostering the company's core values**, including:

- **Caring**: We act with integrity and compassion to support patients, customers, our communities and each other.
- **High Performance**: We strive for high performance to benefit our patients, clinicians and shareholders.
- **Global Collaboration**: We work collaboratively to pursue global opportunities that extend the reach of our medical solutions.
- **Meaningful Innovation**: We foster an environment of creativity to transform new ideas into breakthrough services and solutions that create value for patients, customers and employees.
- **Diversity**: We embrace diversity and value the unique talents, ideas and experiences of our employees.
- **Winning Spirit**: We adapt to change and act with speed, agility and accountability to further improve patient care.

Every day, innovative treatments and devices like those made by Boston Scientific help patients live longer and more fulfilling lives, and drive savings across the healthcare sector. On behalf of the members of BSC PAC, and the clinicians and patients we serve, we look forward to working with you to promote these values through public health policy that advances science for life.

Kind Regards

Mike Mahoney
