

Refer to the device directions for use for complete instructions on device use.

Caution: Federal Law (USA) restricts this device to sale by or on the order of a physician.

Warning

Contents supplied STERILE using a radiation process. Do not use if sterile barrier is damaged. If damage is found, call your Boston Scientific representative.

For single use only. Do not reuse, reprocess or resterilize. Reuse, reprocessing or resterilization may compromise the structural integrity of the device and/or lead to device failure which, in turn, may result in patient injury, illness or death. Reuse, reprocessing or resterilization may also create a risk of contamination of the device and/or cause patient infection or cross-infection, including, but not limited to, the transmission of infectious disease(s) from one patient to another. Contamination of the device may lead to injury, illness or death of the patient.

After use, dispose of product and packaging in accordance with hospital, administrative and/or local government policy.

Intended Use/Indications For Use

Intended for medical purposes, to lubricate body orifices to facilitate entry of diagnostic or therapeutic devices when a sterile field is required. Contents sterile in unopened, undamaged package.

Warnings

May cause eye irritation. If irritation or discomfort occurs, discontinue use and consult a doctor. Keep out of the reach of children. Keep out of eyes and ears.

Contraindications

- Sensitivity to ingredients listed in Device Description.

Adverse Events

- Irritation or allergic reaction to ingredients.
