

**LATITUDE® Patient Management**  
Update to Communicator Patient Manual and DVD Video  
Model 6476

359234-001  
EN US 2013-08

---

This update is to advise you of changes pertaining to information in your Communicator Patient Manual and DVD video. These changes relate to two optional features that do not affect the basic operation of your Communicator.

### **Patient Website**

The Communicator Patient Manual contains a section titled “Patient Website.” The patient website has been discontinued, and this section of the Patient Manual should be disregarded.

### **Answering Health-related Questions**

The Communicator Patient Manual and DVD video both contain information about health-related questions. This feature has been discontinued. The section in the Patient Manual titled “Answering Health-related Questions” and any other references in the manual or DVD regarding health questions should be disregarded.
