INSTRUCTIONS FOR USE

Refer to the operator's manual for complete instructions for use.

INDICATIONS

Indications can be found in the product labeling supplied with each device.

CONTRAINDICATIONS

Contraindications can be found in the product labeling supplied with each device.

WARNINGS

For single use only. Do not reuse, reprocess or resterilize. Reuse, reprocessing or resterilization may compromise the structural integrity of the device and/or lead to device failure which, in turn, may result in patient injury, illness or death. Reuse, reprocessing or resterilization may also create a risk of contamination of the device and/or cause patient infection or cross-infection, including, but not limited to, the transmission of infectious disease(s) from one patient to another. Contamination of the device may lead to injury, illness or death of the patient.

After use, dispose of product and packaging in accordance with hospital, administrative and/or local government policy.

POTENTIAL ADVERSE EFFECTS

Potential Adverse Effects can be found in the product labeling supplied with each device.

Please be aware that potential adverse effects may arise even with the proper use of medical devices. Accordingly, this device should only be used by persons qualified in the procedures for which it is indicated.

CAUTIONS

Cautions can be found in the product labeling supplied with each device. CAUTION: Federal (USA) law restricts this device to sale by or on the order of a physician.

TRADEMARKS

Olympus is a trademark of Olympus America Inc.
Fujinon is a trademark of Fuji Photo Film Co., Ltd.
Pentax is a trademark of Asahi Kogaku Kogyo Kabushiki Kaisha.
