INSTRUCTIONS FOR USE

Refer to the operator's manual for complete instructions for use.

INDICATIONS

Indicated for use in the retraction of soft tissue away from the operative surface allowing for enhanced access during urologic and gynecologic reconstructive procedures.

CONTRAINDICATIONS

Contraindicated for procedures other than urologic and gynecologic reconstructive procedures.

WARNINGS

For single use only. Do not reuse, reprocess or resterilize.

POTENTIAL ADVERSE EFFECTS

Potential adverse effects which may occur during urologic or gynecologic reconstructive procedures, include accidental perforations of the patient's anatomy and damage to adjacent small bowel-bleeding.

CAUTIONS

Federal (USA) law and governing law outside the USA restrict these devices to sale by or on the order of a physician.

TRADEMARKS

TLC Retractor is manufactured by Applied Medical Technology, Inc. and exclusively distributed in the USA by Boston Scientific Corporation.

TLC is a trademark of Applied Medical Technology, Inc.
