Speakers

Varinder Singh BEDI, N.M, Surg. Cmde (Dr.), MS, MBBS

Chairman & Head, Institute of Vascular & Endovascular Surgery, Sir Ganga Ram Hospital, INDIA

Dr. Bedi has practiced Vascular Surgery for over three decades in India and Germany. He is a decorated veteran commended by the Government of India, including a medal recognizing his active role in the Gujarat Earthquake. Dr. Bedi's expertise includes treatment of aortic aneurysm (his center is one of the highest performers of endovascular aneurysm repairs in India). He pioneered the German technique "Eversion Endarterectomy" and also visceral hybrid surgery in India.

Arvind DESHPANDE, MBBS, FRACS (Vasc), DDU (Vasc)

Vascular & Endovascular Surgeon, Newcastle Private Hospital and John Hunter Hospital, AUSTRALIA

Dr. Deshpande has practiced Vascular Surgery for over three decades; including trainings in India, Europe, USA, and Australia. He treats and publishes about complex aortic, carotid, endovascular and peripheral cases.

Zhihui DONG, MBBS, PhD

Professor and Chief Surgeon, Department of Vascular Surgery, Zhongshan Hospital, Fudan University, CHINA

Dr. Dong has practiced Vascular Surgery for over two decades. He has published extensively about management of aneurysm, pseudoaneurysm, and aortic dissection, as well as stem cell-based therapies for critical limb ischemia. Dr. Dong serves on numerous academic committees including Society for Vascular Surgery (U.S.) and has mentored many upcoming vascular surgeons.

Agenda

TOPIC
