MEET THE EXPERTS

TAVI PROGRAMME

Wednesday, May 18

09:00 – 10:00 | **ACURATE neo2 – How has this new generation changed my practice? A case-based discussion Dr. James Cockburn (UK)** 

Join us if you want:

- To learn about new key design features of the ACURATE neo2 valve and procedural specifics
- To understand how these features can help you optimise outcomes in a broad range of patients, from routine to more complex anatomies
- To experience through case discussions how the patient selection algorithm has evolved

Thursday, May 19

15:00 – 16:00 | **Planning for the future with ACURATE commissural alignment - A case-based discussion Dr. Andreas Rück (Sweden)** 

Join us if you want:

- To refine your ACURATE commissural alignment technique
- To understand determining factors for first valve choice in the context of lifetime management of patients with severe aortic stenosis
- To experience the benefits of achieving commissural alignment with ACURATE through case discussions

**Visit our welcome desk for more information and to register for Meet the Experts and Hands-on sessions.
Hands-on training sessions in Coronary Therapies, TAVI and LAAC all day.**
