

Welcome to School of Rock!

Are you finding that complex PCI cases are becoming increasingly common?

In the first part of this insightful short-video series, Dr. Angela Taylor and Dr. Salman Arain address the "new norm" in their labs, delve into the crucial role of IVUS in managing challenging lesions, and present cases comparing calcium and ISR prep techniques.

Tune into our on-demand short video series to discover practical strategies and expert insights to help you confidently navigate the evolving landscape of PCI.

Practical strategies. Expert perspectives. PCI on demand.
