SECTION 4 Physician Certification Section

By submitting this form to Boston Scientific, the physician identified in Section 2 of this document completed this form in its entirety (or reviewed it carefully after it was completed by an employee under their direction) and the information provided by the physician/physician's staff, including the diagnosis, codes and medical documentation supporting erectile restoration is true, accurate, and complete to the best of their knowledge. The physician also certifies that this procedure is medically necessary.

Disclaimer: Coverage is based on patient eligibility, specific plan benefits, medical necessity, individual contracts and local coverage policies. Verification of benefits and/or prior authorization approval are not guarantees of payment. Providers must submit accurate and appropriate claims for services. It is always the provider's responsibility to determine medical necessity, the proper site for delivery of any service and to submit appropriate codes, charges and modifiers for services rendered. Boston Scientific recommends that providers consult with their payers, reimbursement specialists and/or legal counsel regarding coding, coverage and reimbursement matters.

Boston Scientific does not promote the use of its products outside their FDA-approved/cleared label.
Caution: US Federal Law restricts these devices to sale by or on the order of a physician.
