- 1.4 All Orders are subject to acceptance by SELLER. Orders are deemed to have been accepted by BUYER by delivering the Products.
- 1.5 In the event of any inconsistency between these General Terms and Conditions of Sale and the Order they shall prevail in the following order to the extent of the inconsistency:
 - (i) these General Terms and Conditions of Sale; and
 - (ii) the Order.

- 3.1 Products shall be invoiced by SELLER upon, or at any time after, delivery of the Products in accordance with Article 4. BUYER shall pay all amounts invoiced and unless otherwise agreed in writing the terms of payment are thirty (30) days. In addition to any other rights or remedies available to SELLER whether at law or otherwise, any amount owed by BUYER to SELLER that is not paid when due shall bear automatically and without notice, late payment interest at the special interest rate provided for in Article 5 of the Belgian Act of August 2, 2002 on combating late payments in commercial transactions.
- 3.2 Payments must be made by BUYER in full with no deductions, withholdings, set offs, or counterclaims for any reason whatsoever, whether arising in contract, tort (including negligence), breach of statutory duty or otherwise (save as may be required by law) and regardless of any disputes between SELLER and BUYER.
- 3.3 The invoice shall set out and govern the currency in which the payment shall be made.

ARTICLE 4 - DELIVERY/TRANSFER OF RISKS/TRANSFER OF TITLE/QUALITY REQUIREMENTS

- 4.1 Products shall be delivered and risk shall pass to BUYER according to the Incoterms 2010 term as specified on the invoice. Time limits for delivery are SELLER's best approximation of such date, and shall not be deemed to represent a fixed or guaranteed date. Such dates shall be automatically extended in the event of delay which is not attributable to SELLER or in a case of Force Majeure which makes it impossible for SELLER to perform all or part of any contract. In any event, SELLER shall have no liability to BUYER for late delivery of the Products (or any of them) for whatever reason and time shall not be of the essence in this respect.
- 4.2 SELLER may deliver the Products by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate Contract. Any delay in delivery or defect in an instalment shall not entitle BUYER to cancel any other instalment.
- 4.3 Notwithstanding the delivery of and passing of risk in any Product(s), title to the Products(s) shall not pass to BUYER until complete and final payment of the price therefore including any transportation charges, taxes and late payment interests.
- 4.4 Until title to the Products has passed to BUYER, BUYER shall: (a) hold the Products on a fiduciary basis as the SELLER'S bailee; (b) store the Products separately from all other

goods and products held by BUYER so that they remain readily identifiable as SELLER'S property; (c) not remove, deface or obscure any identifying mark or packaging on or relating to the Products; (d) maintain the Products in satisfactory condition and keep them insured against all risks for their full price on SELLER'S behalf from the date of delivery; (e) notify SELLER immediately if it becomes subject to any of the events listed in Article 10.4; and (f) give SELLER such information relating to the Products as SELLER may require from time to time. However, subject to compliance with the above, BUYER may use the Products in the ordinary course of its business.

- 4.5 If, before title to the Products passes to BUYER, BUYER becomes subject to any of the events listed in Article 10.4, or SELLER reasonably believes that any such event is about to happen and notifies BUYER accordingly, then, provided the Products have not been resold, or irrevocably incorporated into another product, and without limiting any other right or remedy SELLER may have, SELLER may at any time require BUYER to deliver up the Products and, if BUYER fails to do so promptly, enter any premises of BUYER or of any third party where the Products are stored in order to recover them.
- 4.6 SELLER has and requires of its BUYERS a primary commitment to patient safety and product quality. These include, without limitation, requirements regarding appropriate storage of the Product(s) maintaining traceability, prompt reporting and handling of complaints, and implementation of recalls and other field actions. These requirements shall survive the expiration or other termination of any Contract.

Claims for non-receipt of Products or non-compliance with the terms of the Contract, must be made to SELLER in writing within fourteen (14) days of advised delivery in case of non-receipt and fourteen (14) days from delivery in other cases. - 5.2 SELLER warrants that each Product delivered to BUYER has been manufactured, packaged and tested according to the accompanying and/or published specifications and, on delivery to BUYER and unless expressly stated otherwise, the Product is considered to be free from defects in workmanship and material until the Product expiry date as affixed on the Product ("warranty period").
- 5.3 SELLER will have no liability for the non-compliance of any Product with the warranty in Article 5.2 to the extent that such non-compliance arises as a result of (a) BUYER's failure to follow SELLER'S oral and/or written instructions as to the storage, commissioning, installation, use and maintenance of such Product or (if there are no such instructions) good industry practices regarding the same; (b) SELLER following any drawing, design or specification supplied by BUYER; (c) BUYER having altered or repaired such Product without the written consent of SELLER; or (d) fair wear and tear, misuse, accident, abnormal storage or working conditions or wilful damage or negligence of or by BUYER, its employees, agents, or subcontractors.

- 5.5 Any Product or Product components replaced under this Article 5 shall become the property of SELLER. Any replaced Product or replaced Product component under this Article 5 shall be subject to the Product expiry date of the replacement Product (as affixed on the replacement Product) and any repaired Product or Product component shall be subject to the remainder of the warranty as from the date of its repair by SELLER.
- 5.6 The express warranty in Article 5.2 sets out the exclusive liability of SELLER in relation to the Products and there are no conditions, warranties, representations or terms, express or implied, that are binding on SELLER except as specifically stated in this Article 5. Any condition, warranty, representation or term (including, without limitation, in relation to quality, merchantability or fitness for any particular purpose) which might otherwise be implied into or incorporated into any Contract, whether by statute, common law or otherwise, is hereby expressly excluded.
- 5.7 Save as expressly provided in this Article 5, SELLER shall have no liability to BUYER in respect of the non-compliance of any Product with the warranty set out in Article 5.2 and the remedies set forth in this Article 5 shall be SELLER's exclusive liability and BUYER'S exclusive remedies in this respect.
- 5.8 SELLER ASSUMES NO LIABILITY WHATSOEVER FOR MULTIPLE USE OF PRODUCTS MEANT FOR SINGLE USE ONLY AND ANY LIABILITY THAT MAY OTHERWISE ARISE IN THIS RESPECT IS HEREBY EXPRESSLY EXCLUDED.

The return request must include details of the product number, batch/lot number, expiration date, invoice number and the date the Products were delivered. SELLER reserves the right to reject such return requests upon its own discretion.

- 7.4 In the exceptional case that the BUYER will resell the Products outside of the EEA and Switzerland, the BUYER is obliged to impose to its contractors the same obligations as the SELLER has imposed to the BUYER, especially but not limited to a primary commitment to patient safety and product quality as well as compliance with any regulatory requirements.
