

## Sterile Lubricating Jelly

*Prior to use, please refer to all applicable “Instructions for Use” for more information on Intended Use/Indications for Use, Contraindications, Warnings, Precautions, Potential Adverse Events, and Operator’s Instructions.*

### **REUSE WARNING**

For single use only. Do not reuse, reprocess or resterilize. Reuse, reprocessing or resterilization may compromise the structural integrity of the device and/or lead to device failure which, in turn, may result in patient injury, illness or death. Reuse, reprocessing or resterilization may also create a risk of contamination of the device and/or cause patient infection or cross-infection, including, but not limited to, the transmission of infectious disease(s) from one patient to another. Contamination of the device may lead to injury, illness or death of the patient.

### **INTENDED USE/INDICATIONS FOR USE**

Lubricating Jelly is a sterile, water-soluble, latex-free gel intended for use on intact skin, on mucous membranes and in natural body orifices.

### **CONTRAINDICATIONS**

Sensitivity to ingredients listed in Device Description.

### **WARNINGS**

- Contents supplied STERILE. Do not use if sterile barrier is damaged. If damage is found, call your Boston Scientific representative.
- After use, dispose of product and packaging in accordance with hospital, administrative and/or local government policy.
- May cause eye irritation. Avoid contact with eyes. After eye contact, flush eyes with plenty of 1% physiological saline solution. If no saline is available, flush with copious amounts of water.

### **PRECAUTIONS**

- None

### **POTENTIAL ADVERSE EVENTS**

- Irritation or allergic reaction to ingredients.
