WallFlex™ Biliary RX Partially and Fully Covered Stent System RMV Patency and Anti-Migration Satisfaction Program

Boston Scientific is offering a Patency and Anti-Migration Satisfaction Program for partially or fully covered Wallflex™ Stents. Please contact your Territory Manager to learn more.

Program Details:

Boston Scientific will provide a free replacement WallFlex Stent of identical dimension if a partially or fully covered WallFlex Stent is implanted in accordance with the terms of the Program and the stent migrates or becomes occluded during the first year, and all other terms of the Program are fulfilled. This offer applies only to partially or fully covered WallFlex Stent endoscopically placed in accordance with the Directions for Use after January 1, 2023. Replacement stents provided under the Program are not eligible for the Program. Claims under the Program are limited to one (1) new identical replacement stent. Stents provided pursuant to the Program will be accompanied by a no-charge invoice shipped directly to the hospital upon receipt of the appropriate documentation. The hospital is responsible for any reporting the replacement stent as a discount on the hospital's cost report. This Program may not be available in all countries. The Program is subject to modification or termination by Boston Scientific without prior notification.
