3. The device or component must be returned to BSC (or BSC authorized agent) within 30 days after it fails to function within normal ranges. That device or component will be BSC property.
4. This limited warranty does not include failures to function within normal ranges caused by:
  - (a) fire, floods, lightning, natural disasters, water damage and other calamities commonly defined as "Acts of God";
  - (b) accident, misuse, abuse, negligence, or the customer's failure to operate the device or component in accordance with manufacturer's instructions;
  - (c) unauthorized attempts to repair, maintain, or modify the device or component by the patient or any unauthorized third party; or
