If you have not received confirmation of your order within 24 hours, please contact Customer Service.  
For more information on ordering and dose vial selection, contact your Boston Scientific TheraSphere Consultant.  
To ensure vials are received 1-2 days before treatment, it is recommended orders be placed a minimum of 4 business days prior to treatment.  
For shorter ordering times, please contact Customer Service for dose vial availability (open Monday-Friday 8am-8pm EST).
