Limited Warranty

Boston Scientific Corporation (BSC) warrants for one year from the date of purchase that reasonable care has been used in the design and manufacture of this product. This warranty is in lieu of and excludes all other warranties not expressly set forth herein, whether expressed or implied by operation of law or otherwise, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. Handling, cleaning, and storage of the product as well as other factors relating to the patient, diagnosis, treatment, surgical procedures, and other matters beyond Boston Scientific Corporation's control may directly affect the product and results obtained from it. Boston Scientific Corporation shall repair or replace, at its option, any part of the product that Boston Scientific Corporation determines was defective at time of shipment if notice thereof is received within one year of shipment. Boston Scientific Corporation shall not be liable for any incidental or consequential loss, damage, or expense directly or indirectly arising from the use of the product. Boston Scientific Corporation neither assumes, nor authorizes any other person to assume for it, any other or additional liability or responsibility in connection with the product. BSC assumes no liability with respect to product use by a non-qualified physician; use contrary to documentation; use with a non-LithoVue catheter. Buyer shall be responsible for the ongoing support and maintenance of the product not covered by this one-year warranty and after the one-year warranty period has expired. Buyer may, at its sole cost and expense, purchase an extended warranty from Boston Scientific Corporation (BSC) to extend the term of this warranty.

Obtaining Warranty Service from Boston Scientific Corporation

Contact the Customer Service Department at Boston Scientific Corporation at 800-949-6708 to report any problem with the System Workstation and obtain a return authorization number, if required.

Return the System Workstation to Boston Scientific Corporation. All shipments to Boston Scientific Corporation must be insured and safely and securely packaged, preferably in the original shipping carton, and should include a letter explaining the problem. Reference the return authorization number.

All transportation and insurance charges and risk of loss are the responsibility of the customer and must be prepaid. A purchase order must be issued to Boston Scientific Corporation to cover all transportation and insurance charges for return shipment after service.

You will receive a return goods authorization (RGA) tracking number for the returning product. Write the RGA number on the outside of the return packaging.
