

Remittance ID

You should see Boston Scientific as one of your customers now. The only thing you need to do to finalize the relationship on your side is to add BSC's Remittance ID.

Steps

Step 1: Log into your Ariba account via <https://supplier.ariba.com/>

Step 2: Click your initials in the top right corner and select **Company Profile**

Step 3: To create or edit an entity to update the Remittance ID:

- Select **Additional Entities** and then click “Create” If you need to create a new one

- Alternatively, if you already have a Remittance ID created, select the entity's radio button and then click "**edit**" If you already have an address and only need to edit it to update your Remittance ID.

Boston Scientific - TEST	0001286775_CR_90804

Please be sure to include the leading zeroes in your company’s Remittance ID. All Remittance IDs should have a minimum of 10 characters (e.g., 0000108403_US_40614 or 0000108248).

1. If you receive POs starting with 7000, the remittance ID should be placed on the line labeled "Boston Scientific." Please see the image below with reference number 1.
2. If you receive POs starting with 8100, the remittance ID should be placed on the line labeled "BSCI." Please see the image below with reference number 2.

Note: These numbers are different and were provided by the Supplier Enablement team.
